

LOURDES *"Building Our Future"*

February 1, 2010

Dear Fellow Alumni,

I write this letter to you during a pivotal time in the history of our alma mater, Lourdes High School. Over the past year we have been involved in the largest capital campaign in the history of our Catholic school system. To date, we have over \$11 million pledged toward a \$15 million capital campaign goal that will be used to build a new Lourdes High School. Most recently we have been informed by an exceptionally generous donor that, at the completion of the \$15 million goal, an additional \$2 million pledge will be added to the total of the campaign, increasing the pledge total to \$17 million. The purpose of this letter is to invite you to become a part of the success of this effort.

Within the next two weeks, you will receive a packet of information concerning the Lourdes Building Our Future capital campaign. Please read all of the material enclosed in the packet and prayerfully consider making a pledge. You will find a pledge card which you may return in the envelope that will be provided.

Understanding that any size gift is deeply appreciated, would you consider making a pledge of \$3,000 or more over the next three year period? It is important that you make your decision in a timely manner. We hope to stay on our schedule that would allow us to break ground for the new school in the fall of 2010.

Your three year pledge to this campaign will serve as a catalyst to the realization of an already successful effort. You are part of the historical tradition of excellence at Lourdes High School. You have the opportunity to play an important role in the advancement of that tradition for many years to come.

Please visit our website – www.LourdesFuture.org – for an expanded view of our new school and the efforts being made to insure that this dream becomes reality.

May God bless our efforts.

Sincerely,

Denny Nigon '64
President, Rochester Catholic Schools

P.S. – We need your support! With this \$2 million offer, there is a momentum, a sense of timeliness and in fact a sense of urgency. Will you please consider becoming a part of our success?
